

Who are we?

A Group of Lawyers have formed together to seek license approvals in their name, attached to our shelf companies, for you to buy as transferee owner. This helps you get an advanced start with a fully licensed company, in your line of business NOW.

Why choose us?

Because you buy the shelf company and get the licence to use TODAY!

Mr. Royce Lane, our founder a Legal Genesis often seen on the cover of Law Magazines, holds the pattern for creating the idea of legitimately making Licenses into Worldwide Licenses welcomed by most regulators.
